

Lesson: The Debate

Your mission, should you choose to accept it, is to participate in a variety of online debates relating to philosophy and justice. Using the app debateMe on your iPad, respond to at least four of the six questions posed. Your response must take into account the previous responses. Additionally, you must comment on at least four other student responses.

You will be evaluated based on your use of previous readings for support and analysis. Below is the rubric:

_____/20 Posts introduce precise, knowledgeable claims, establish the significance of the claims, and distinguish the claims from alternate or opposing claims.

_____/20 Posts clearly present ideas from the material under study, and explicitly draw on that preparation to stimulate a well-reasoned exchange of ideas.

_____/20 Replies propel conversations by posing and responding to questions that probe reasoning and evidence and clarify, verify, or challenge ideas and conclusions.

_____/20 Posts synthesize comments, claims, and evidence made on all sides of issue; resolve contradictions when possible, and determine where additional information is necessary.

_____/ 80 Total Points Possible
