

Lesson: The Infographic

Your mission, should you choose to accept it, is to create an infographic, “Justice for Dummies.” Using the iVi Touch app on your iPad, create a visual display depicting the highlights of this unit. Remember, an infographic is a *visual* display, and should only include the most vital points needed to understand the topic. In essence, you must sift through the information learned throughout the unit and determine what one would absolutely have to know to have a clear understanding of the material. Below is the rubric with which your project will be evaluated.

_____/30 Material is factual, relevant, and well-chosen for the purpose.

_____/30 Material presented supports analysis, reflection, and research on the topic of justice and philosophy.

_____/30 Presentation of material is aesthetically pleasing, utilizes relevant icons, and has a cohesive feel.

_____/ 90 Total Points Possible
